RULES AND REGULATIONS

The Glenbrook Cemetery shall be managed and controlled as a historic asset of GHOA and the Glenbrook community by the Glenbrook Homeowners Association. These Rules and Regulations of the Glenbrook Cemetery are made by the Cemetery Board and become effective upon passage by said Board. The Board may, and it expressly does reserve the right at any time to, adopt new rules and regulations or to amend, alter, and/or appeal any rule, regulation, and/or article, section, or paragraph of these Rules and Regulations. Special cases may arise in which the literal enforcement of a rule may impose unnecessary hardship. The Board therefore reserves the right, without notice, to make exceptions, suspensions, or modifications of any of the Rules and Regulations when, in its judgment, the same appear advisable.

1. No burials, interments, or disinterments of human remains or cremains shall be allowed or permitted within the Cemetery which, as a historic and now unlicensed Cemetery, is not able to accept additional remains.

2. No Monuments or Memorials shall be removed, replaced, or constructed or installed within the Cemetery without the prior express written approval of the Cemetery Board.

3. Memorials of a commemorative nature that do not memorialize a person's passing and that were installed within the Cemetery after the date of acquisition of the Cemetery by GHOA in August 1987 are subject to removal in the discretion of the Cemetery Board.

4. In keeping with the historic nature of the Glenbrook Cemetery, all Monuments and Memorials retained or replaced in the Glenbrook Cemetery must be identical, or as close to identical as possible, to the original Memorial or Monument. The Cemetery Board reserves the right to reject and disapprove the replacement of any Monument or Memorial that it does not believe, in its sole and absolute discretion, is consistent with the historic nature of the Cemetery and other historic Monuments and Memorials existing in the Glenbrook Cemetery at the time of its purchase by GHOA. The Cemetery Board reserves the right to disapprove any Monuments or Memorials that it believes are inconsistent with the historic nature of the Cemetery or not of proper dignity and good taste. Any inscription or other markings shall be identical to the originals. If any Memorial or Monument's inscription or other markings thereon shall be determined by the Board to be offensive, the Board reserves the right to remove, change, or correct the offensive or improper inscription or markings.

5. All replacements of Monuments or Memorials must be approved in advance by the Cemetery Board. All costs shall be paid by the family of the deceased. All Memorial and Monument foundations shall be placed only by persons authorized by the Cemetery Board.

6. All persons entering upon the Cemetery grounds shall conduct themselves with proper decorum and, any breach of this rule, at the discretion of the Cemetery Board or by any of its agents or representatives, may result in removal from the Cemetery.

7. All flowers and other items left on or near graves that have exceeded their useful life are subject to removal by the Cemetery Board. Any planting, decoration, or other objects placed on or about a grave or Lot whose appearance and condition detract from the historic nature of the Cemetery shall be removed at the sole discretion of the Cemetery Board, which shall not be liable for lost or removed items.

8. No signs, notices, or advertisements of any kind shall be allowed within the Cemetery or upon the fence surrounding the Cemetery, unless placed by the Cemetery Board.

9. The Cemetery Board reserves the right to repair and replace any Monument or Memorial placed within the Cemetery which, in its sole and absolute discretion, requires repair or replacement. The Cemetery Board is not liable or responsible to any family members or successors thereto for any damages done in the course of repairing, removing, or replacing any Monuments or Memorials.
